Perfect Accessories for the iPhone X

Now that you've finally gotten the iPhone X, it's time to make the best Apple handset even better with these great accessories.

A SLIM, PROTECTIVE CASE OPTION

Show off Your iPhone X While Protecting the Handset from Life's Daily Adventures

While Catalyst is known for its sturdy waterproof cases for Apple devices, the company is branching out with the new Impact Case for the iPhone X. Even though it's not waterproof, the case does offer some of the signature features from other Catalyst cases. Along with a rotating mute switch, the back of the case is clear to show off the new iPhone. The case is designed to protect the phone from drops of up to 9.9 feet.

Catalyst Impact Protection Case for iPhone X

- A case lanyard is included.
- Buyers can select from one of four different color schemes.
